Day-by-day itinerary

DAY 1

Meeting at 1.00 pm in front of Cortina d'Ampezzo bus station, transfer to the departure point at Davedino hamlet. Please have lunch before.

VAL DE DAVEDIN - LAGO DI FEDAIA

The hike begins in the discreet hamlet of Davedino, nestled between mountain pastures and forests. The route passes through small farming hamlets, then climbs to the silent heights of Passo della Crepe Rosse, where the Marmolada offers up its most beautiful face for contemplation. All that remains is a short descent to finally reach the Fedaiia refuge on the shores of the magnificent lake of the same name, a sparkling clear spot at the foot of the queen of the Dolomites.

Overnight stay in a refuge, **without luggage**.

3 hour walk / Elevation: + 720 m ; - 220 m / 6 km

DAY 2

VIEL DAL PAN - PASSO PORDOI

A challenging day starting from the Fedaiia refuge. The trail first crosses the Crepes de Padon, a suspended balcony facing the watchful Marmolada. Then, leaving this aerial kingdom behind, after a short descent to Passo Pordoi, the route climbs back up towards the impressive walls of the Sella massif, and finally stretches out across the great Piz Boé, whose pale rocks seem to hold many secrets.

Night in a refuge, **without luggage**.

8.5 hour walk / Elevation: + 1620 m ; - 1140 m / 18 km

DAY 3

HIGH PLATEAU OF SELLA - PASSO GARDENA

The route heads towards Piz Boé, an alpine altar standing at 3,152 metres. After this climb, a short descent leads to the vast Sella plateaus. The trail crosses these mineral expanses before taking a few cable-assisted passages towards the Pisciadù refuge and its lake, a turquoise gem set in the rock. The day ends with a descent to Passo Gardena. At the start of the season, you reach the Val Lasties valley before a short transfer to the pass.

Night in a dormitory in a refuge.

6 to 7 hour walk / Elevation: + 900 m; - 1300 m / 11 km

DAY 4**PUEZ MOUNTAINS - JUEL VALLEY**

The day begins with an ascent towards the Cier Pass, between the striking Pizes towers, stone spears pointing towards the sky. This is followed by a traverse leading to the Somalfucia Pass and stretching to the Puez refuge, overlooking the vast Langental canyon. Next comes a long descent through the wild Juel Valley or the Gherdenacia Canyon, both leading to Villa Stern. Finally, a short bus ride takes you to the peaceful village of San Cassiano.

Overnight stay in a guesthouse, in rooms for 4 to 6 people, with luggage.

7 hour walk / Elevation: + 870 m ; - 1350 m / 16 km

DAY 5**LAGAZUOI - TOFANE**

Depending on the conditions at the time, the day begins with an ascent towards Piz Lagazuoi via Passo Falzarego and the high-altitude trail, or by climbing up alongside Lago di Lech, a dark mirror of the peaks. The route then crosses the Travananze pass and the austere slopes of the Tofane mountains to a cable-assisted passageway that provides access to the Giussani refuge, perched at an altitude of 2,500 metres in the heart of the massif.

Overnight stay in the refuge, in small dormitories for 4 to 6 people, in an exceptional setting, **without luggage**.

6 to 7 hour walk / Elevation: + 1550 m ; - 630 m / 15 km

DAY 6**TRE DITA - VIA FERRATA PUNTA ANNA**

From the refuge, you can climb up to Tre Dita, a rocky viewpoint offering sweeping views of much of the Dolomite massif and its silent grandeur. Then comes the descent to the Dibona refuge, where those who have chosen the via ferrata option will meet up with their mountain guide. The destination is the Via Ferrata Punta Anna: the last section of the route, offering breathtaking views and light, overlooking the Val d'Ampezzo and the surrounding mountains. At the end of the via ferrata, take the cable car down to Cortina.

For those who did not choose the via ferrata option, descend from the kingdom of peaks on foot to Cortina through scree and forests.

The Tre Dita in option before the stage : 1.5 hour walk / Elevation: +/- 140 m / 3 km

For the Via Ferrata option: 1 hour walking and 3 hours Via Ferrata / Elevation: +700 m; -600 m / 8 km

Without the Via Ferrata option: 5 hours walking / Elevation: -1380 m / 10 km from the Giussani refuge to Cortina
