An amazing trip!

In our section "High passes", we have conceived several treks in Vanoise including some of them with glacier summit at the end. However, it would have been a shame to step on the Dômes de la Vanoise without crossing the ice cap, unique in Europe!

Here is the program for this colourful week: 4 days of wild, high-level hiking between "Col du Ravin Noir", "Col du Soufre", "Col Rouge", "Petit and Grand Marchet" ... and one day in the "great white", a traversee of the Icy Domes of Vanoise with the ascension of the Pointe du Dard over than 3000m!

Small group of 8 to 9 people maximum, with a mountain leader and a high-mountain guide for the mountaineering day.

## You will love

- A journey off the beaten track
- Passing by high passes and the proximity to the glaciers
- 1 day crossing the ice cap with a guide
- Accommodation in mountain huts
- Small group of 9 persons max

## Day-by-day itinerary

### DAY 1

**Meet at 13:30 at Aussois (or at Modane train station at 13:15).** Make sure you have had lunch.

#### AUSSOIS - FOND D'AUSSOIS

After a short debrief, little warm-up climbing to Fond d'Aussois refuge by the lakes of Plan d'Aval and then Plan d'Amont.

2.5 hour walk / Elevation: +900m / 8 km

### DAY 2

#### COLS DE LA MASSE, DU RAVIN NOIR ET DE CHAVIÈRE

1 day, 3 passes! Climb to "Col de la Masse", then cross off-trail to "Col du Ravin Noir" (2940m), wild. On the Orgère side, several routes bring you to find the path of the last pass, at 2796m, making sure not to disturb the shepherd, his sheep and his dog. From there, descend to Peclet-Polset refuge.

6.5 hour walk / Elevation: +1050m -950m / 11 km

### DAY 3

#### COL DU SOUFRE - COL ROUGE

Here are two neighboring and yet very different passes. The "Col du Soufre" is really original, with a little Icelandic air. The crossing from one to another allows you to explore a wild area, along the Lakes of "Mont Coua". Reaching the "Col Rouge" via the "Passage des Eaux Noires"! Then descend into the large valley of Chavière, stopping at the Ritord farm to taste the best of Beauforts cheese. Night in a lodge, in a dormitory, with luggage.

7 hour walk / Elevation: +820m -1570m / 17 km

### DAY 4

#### PETIT ET GRAND MARCHET - COL DE LA VANOISE

A good climb takes us to the Valette hut. Crossing two cirques, under the waterfalls of the ice cap. A final climb leads to the "Col de la Vanoise", along the spire, at the foot of the famous Grande-Casse summit. Alternatively, it is also possible to go through the "Col Noir" and the Patinoire lake, a beautiful getaway with a wide view over the "Aiguille de la Vanoise" and "Grande-Casse". In the evening, meeting with the guides for the next day's race. Night in refuge, in dormitory.

7 hour walk / Elevation: +1750m -950m / 15 km

5 hour walk / Elevation: +1250m -350m / 13km by the Patinoire lake

**DAY 5****POINTE DU DARD - COL DU PELVE - REFUGE DE L'ARPONT**

The highlight of the trip! The climb up the rocky slabs soon gives way to the glaciers. This is where the traverse begins, with crampons on your feet and ice axe in hand, as you cross from one side to the other. A short diversion to the Pointe du Dard (3204m) offers a 360° panorama of the cap and the high peaks in the distance. Descend to Arpont and spend the night in a dormitory at the refuge.

6.5 hour walk / Elevation: +800m -1000m / 11km through La Pointe du Dard summit

**DAY 6****MAURIENNE BALCONY - AUSSOIS**

A final, more leisurely stage, albeit a little longer, brings this tour to a close: a balcony crossing overlooking the Maurienne valley, in an area much appreciated by large birds of prey!

6.30 hour walk / Elevation: +700m -900m / 17km

**End of the tour around 15:00 in "Plan d'Amont" and taxi transfert to Aussois or Modane.**

### Leave on your own for 2 or 3 days and more

In the 'weight is the enemy' section, here are some tips on how to save a few hundred grams. For example, for your toiletries: a simple plastic bag with a zip or a small plastic box to avoid accidental crushing.

- Hotel-size soap is generally enough for a week.
- A tube of toothpaste 3/4 full will do the trick
- Shaving foam: a small sample can
- A small microfibre towel
- A small bottle of shampoo
- A travel toothbrush

Pharmacy: in addition to your personal medicines, bring:

- Elastoplast or hook-and-loop tape
- "Second skin" tape to protect against blisters, such as Compeed
- A small pair of scissors, thread and needle
- A small tube of sun cream and lip balm

Now all you have to do is apply this recipe to your entire bag!
